Christian Testimony:

I came to know Christ through the faithful preaching and focused ministry of Thomson First Baptist Church. God worked to draw me to Christ through the Godly examples set by my parents and grandparents. As a 12 year old I felt the burden of my sin and asked Jesus into my life. His leadership in my life was encouraged by some faithful Christian football coaches. As a junior in high school I sensed God leading me into ministry. With that in mind I attended Furman and SWBTS. God continues to lead me step by step through each chapter in my life.

Personal Mission Statement:

I am committed to the faithful preaching of God's Word. God's mission is to redeem the lost from their sin and to grow up a people committed to living as disciples of Christ in this crazy time we live in. God's Word will go forth and never return void. While I am able, my desire is to bring people into the saving knowledge of the Living God and to be a helpful resource to those who turn to Jesus Christ. I am committed to helping the church of 2021 be relevant and focused. Our church is a group of people who are not perfect, but so aware of our imperfection that we bring Jesus Christ to every area of our life and offer that same amazing grace to others who are struggling for meaning and peace.
